\* **Kind** – This one word would stop wars and erase hatreds. But it's like your bicycle, it just no good unless you get out and use it.

\* **Clean** – Soap and water help a lot on the outside. But it is the inside that counts and don't ever forget it.

\* **Courteous** – Allow each person his human dignity which means a lot more than saying, "yes ma'am" and "thank you sir". It reflects an attitude that later in life you wish you had honored more, earlier in life. Save yourself that problem. Do it now.

\* **Thrifty**: Means a lot more than putting pennies away, and it is the opposite of cheap. Common sense covers it just about as well as anything.

\* **Friendly** – Brotherhood is part of that word. You can take it in a lot of directions - and go - but make sure and start with brotherhood.

*\* **Brave** – You don't have to fight to be brave. Millions of good, fine, decent folks show more bravery than heavyweight champs just by getting out of bed every morning, going out to do a good day's work and living the best life they know how against the law of odds.*
